The corporation is referred to in these Bylaws as "the Consortium".

Section 1.2 Purpose, Process and Organization

(a) The primary mission and purpose of the Consortium is to advance the development and use of international standards and supporting services that promote geospatial interoperability. To accomplish this mission, the Consortium serves as the global forum for the collaboration of geospatial data / solution providers and users. The Consortium shall promote the development and use of advanced open systems standards and techniques to enable the full integration of geospatial data and geoprocessing resources into mainstream computing and the widespread use of interoperable, commercial geoprocessing software throughout the information infrastructure. Toward this end, the Consortium may engage in some or all of the following activities:

(i) Involve developers and users of geographic information resources, including vendors, integrators, government agencies, standards organizations, academia, research institutions, and individuals in collaborative development of interoperable geoprocessing technology standards and specifications, and work to promote the delivery of interoperable products and data;

(ii) Synchronize and promote innovation in geoprocessing technology with current and emerging information technology standards based on open systems, distributed processing, and frameworks;

(iii) Provide a consensus-based industry forum that promotes cooperative business initiatives related to distributed processing and application of geospatial and location information;

(iv) Create and offer certification programs relating to the Consortium’s standards and specifications, and perform other related research experimentation and engineering in, and implementation of, related open systems standards, interoperability best practices and technology; and

(v) Such other activities as the Board of Directors may from time to time to be consistent with the Consortium’s purpose.

Section 1.3 Known Place of Business

The known place of business of the Consortium (hereinafter the "principal office") shall be located in Wayland, Massachusetts. The Board of Directors is hereby granted full power and authority to change the principal office from one location to another.
Section 1.4 Other Offices

Branch or subordinate offices may at any time be established by the Board of Directors at any place or places.

Section 1.5 Nonprofit Status

(a) The Consortium is organized and shall be operated as a non-stock, not for profit membership corporation organized under the General Corporation Law of the state of Delaware.

(b) The Consortium has received exemption from Federal taxation pursuant to Section 501(a) of the Internal Revenue Code of 1986, as amended (hereinafter, the "Code"). Until such time, if ever, as such exemption is denied or lost, the Consortium shall not be empowered to engage directly or indirectly in any activity that it believes would be likely to invalidate its status as an organization exempt from federal income taxation under Section 501(a) of the Code as an organization described in Section 501(c) of the Code. All references to the Code contained herein are deemed to include corresponding provisions of any future United States Internal Revenue Law.

ARTICLE II

MEMBERS

Section 2.1 Basis and Conditions of Membership

(a) The basis of Membership is a Member’s interest in the mission of the Consortium.

(b) Conditions of Membership. Any association, partnership, organization, company or corporation, or individual which/who has an interest in the purposes of the Consortium, may, upon satisfaction of the conditions provided below, become a Consortium Member.

(i) Fees and other requirements. A Member shall be admitted to Membership by 1) acceptance of its written application therefor on such form as may be from time to time required by the Consortium (which acceptance shall be administered in a non-discriminatory fashion), and 2) payment of such annual dues or other fees for such class of Membership as may from time to time be established as set forth in Section 2.7. A Member shall remain in good standing as a Member provided all membership dues, assessments, and other fees, together with such penalties for late payment as may be determined by the Board of Directors, have been paid within the period set by the Board of Directors, and the Member continues to meet all of the other requirements of Membership, as from time to time determined by the Board of Directors.

(ii) Group Membership. On the nomination of the CEO and with the approval of the Board of Directors, associations, consortia, collaboratives, membership organizations, joint ventures and other formal and informal affiliations of entities may join the Consortium with the restriction that Consortium membership benefits, including access to consortium-proprietary information, are not to be accorded to members of organizations that are membership based, unless otherwise accorded to a limited number of specific entity member representatives as approved by the Board of Directors.

(iii) Assigned Membership. With the approval of the Board of Directors, Planning Committee membership may be assigned on a yearly basis with no fee to
individuals or organizations which commit to provide resources, services, information, or access to existing or potential member communities which can help the Consortium achieve its objectives, and which would not otherwise be available to the Consortium through its normal membership programs. Assigned Membership includes voting rights in the Planning Committee. The CEO of the Consortium may grant Assigned Members the rights of Technical Committee or Associate membership.

Section 2.2 Classes of Membership

(a) Strategic Membership, upon approval of the Board of Directors, is provided for organizations that provide significant resources, over and above the level of Principal Membership fees, in support of Consortium programs and objectives, and that play an active role both in setting the direction of the Consortium's technology standard and specification activities and facilitating the use and acceptance of Consortium technology in markets of strategic value to the Consortium and its member organizations. Each Strategic Member, while in good standing, shall be entitled:

(i) To designate one voting Strategic Member Advisory Committee Representative to vote in the Strategic Member Advisory Committee:

(ii) To enjoy all the benefits of Membership as described in Sections 2.2 (b), (c), (d), (f) and (g) below, except to the extent that the same include duplicate or overlapping rights, such exact duplication or overlap (i.e., voting and non-voting) shall not apply, with the more senior of such rights to be enjoyed by such member; and

Each Principal Member may also send additional non-voting participants as the Planning Committee’s Policies and Procedures may from time to time permit, by this means to influence and contribute to the Consortium’s strategic planning and Management process. Each Principal Member shall also be entitled:

(i) To vote and participate in working groups, subcommittees or other sub-groups of the Planning Committee as the Planning Committee’s Policies and Procedures may from time to time permit;

(ii) To recommend prospective Directors, and to vote in the Planning Committee to ratify the Board of Directors’ approved slate of candidate directors of the Consortium;

(iii) To participate in planning and outreach activities which the Consortium organizes by means of the Planning Committee with its Principal Members;

(c) Technical Committee Membership is provided for organizations that wish to participate in the Consortium's technology development process. Technical Committee Members have voting rights in the Consortium's Technical Committee and the right to submit technology proposals for consideration by the Consortium. Each Technical Committee Member, while in good standing, shall be entitled to designate one voting Technical Committee Representative and an alternate Technical Committee Representative to vote on each matter submitted to a vote in the Technical Committee, and to send additional non-voting participants as the Technical Committee's Policies and Procedures may from time to time permit, and by this means to influence and contribute to the Consortium's technology development process. Each Technical Committee Member shall have the following rights:

(i) To vote and participate in such working groups, subcommittees, or other subgroups of the Technical Committee as the Technical Committee’s Policies and Procedures may from time to time permit;

(d) Associate Membership level. Each Associate Member, while in good standing, shall be entitled to designate one non-voting Technical Committee Representative and an alternate Technical Committee representative to participate in the Technical Committee and in such subcommittees, task forces, special interest groups, and working groups of the Technical Committee as the Technical Committee’s Policies and Procedures may from time to time permit, and by this means to closely observe the Consortium’s technology development process and participate in discussions that are part of this process. Each Associate Member shall also be entitled:

(i) To have access to all Software and Documentation generally released by the Consortium prior to release of such Software and Documentation to non-members, consistent with procedures from time to time established by the Planning Committee and the Board of Directors;

(iii) To establish and maintain remote connectivity with the Consortium sufficient in order to participate in Consortium discussion activities and to access Consortium documentation and software available for Membership distribution; and

(iv) To enjoy the other Membership rights referred to in Subsections (f) and (g) of this Section 2.2.

(e) Eligibility and fees for Associate Membership shall be as from time to time determined by the Board of Directors and posted at the Consortium website.
(f) All Classes of Members, while in good standing, shall be entitled to attend such meetings and special meetings of the Membership provided for in Article III of these Bylaws and as the Board of Directors may from time to time deem appropriate.

(g) The conditions, benefits, rights, privileges, and powers (if any) of any class of Members may be changed, and one or more additional classes of Membership in the Consortium may be created, and the conditions, benefits, rights, privileges, and powers of each such class may be prescribed, by adoption of an amendment to these Bylaws pursuant to Article XIV of the Bylaws.

Section 2.3 Subsidiaries of Members, Consortia, and Other Organizations

(a) Membership privileges shall be granted to organizational affiliates of Members as follows:

(i) Any wholly owned subsidiary of a Member corporation may share in the same Membership privileges as the parent but shall be included in the parent company’s Membership and listing.

(ii) A Member-affiliated corporation which does not directly or indirectly wholly own, or which is not directly or indirectly wholly owned by a Member organization, must apply for separate Membership.

(iii) Agencies and administrative units of a national government shall be eligible for Membership at any level, but parent or sister organizations of such agencies and administrative units may not share in such Membership.

(iv) Any affiliates permitted above to participate in membership activities shall not have any voting rights, except to the extent that the member of record delegates its voting rights to such affiliate.

(b) Membership Exchange. On the recommendation of the CEO and with the approval of the Board of Directors, consortia, membership organizations, collaboratives, user groups, or other entities or formal or informal groups which have members, participants or sponsors may be eligible for Membership on a fee basis or by means of Membership exchange with the Consortium. Non-membership formal relationships with such organizations must be implemented by means of Memnora of Understanding approved by the Planning Committee and the Board of Directors.

Section 2.4 Deprivation or Suspension of Membership

Any Member in good standing may be deprived of its Membership or be suspended as a Member for cause, and any Member not in good standing may be deprived of its Membership or can be suspended as a Member without cause provided such action is approved by a vote of the Board of Directors. Any annual dues, assessments, other fees and/or penalties already paid shall not be refundable upon the Member's suspension or deprivation of Membership. No deprivation or suspension of Membership (other than for non-payment of dues, assessments or fees) shall be effective, however, unless:

(a) The Member is given notice of the proposed deprivation or suspension of Membership and of the reasons therefor;
(b) Such notice is delivered personally or by certified mail, return receipt requested, or by an overnight courier service, sent to the last address of the Member shown on the Consortium’s records;

(c) Such notice is given at least thirty (30) days prior to the effective date of the proposed deprivation or suspension of Membership;

(d) Such notice sets forth a procedure determined by the body (said body to consist of the Planning Committee or a subcommittee of the Planning Committee selected for that purpose by the Planning Committee) authorized by the Board of Directors to decide whether or not the proposed deprivation or suspension shall take place, whereby the Member is given the opportunity to be heard by such body, either orally (and represented by counsel if the Member so desires) or in writing, not less than five (5) days before the effective date of the proposed deprivation or suspension; and

(e) The reasons for which a Member may be deprived of its Membership include, but are not limited to, acting in such a way as to materially harm the reputation, activities or property of the Consortium, or acting in such a way as to interfere with or attempt to obstruct the activities and programs of the Consortium.

Any deprivation or suspension of Membership for non-payment of dues, assessments or fees may be affected in the manner set forth in Section 3.10.

Section 2.5 Resignation by Member

A Member may resign as a Member at any time and for any reason by instructing its voting representative to send notice by acknowledged mail or certified mail to the President stating its intention to resign. Any Member, upon learning of and not wishing to be subject to an amendment of Section 2.9 of these Bylaws, or to any adoption or amendment of any rule referred to therein, may avoid the effect of such change by resigning in the manner set forth above prior to the effective date of such amendment. In all instances of resignation, any annual dues, assessments, other fees and/or penalties already paid shall not be refundable, and the resigning Member shall remain liable for any accrued but unpaid dues.

Section 2.6 Membership Book

The name and address of each Member shall be maintained at the principal office of the Consortium. Termination of any Membership shall be recorded together with the date of such termination. Each Member shall be responsible for notifying the Consortium in writing of all changes to its name and address, and of the names and addresses of all representatives of such Member appointed to be members of committees or to receive notices or vote on behalf of such Member.

Section 2.7 Levy of Dues, Assessments or Fees

The Consortium may levy Membership dues, assessments or fees upon its Members in such amount as may from time to time be approved by the Board of Directors, provided that notice of any increase in dues, assessments or fees is given to the Membership at least three months before the change is to take effect. A Member, upon learning of any increase in dues, or of any levy of any assessments or fees, may avoid liability therefor by resigning from Membership prior to the date such dues, assessments or fees are due and payable, except where the Member is, by contract or otherwise, liable for such dues, assessments or fees. No provision of the Certificate of Incorporation or Bylaws of the Consortium authorizing such dues,
assessments or fees shall, of itself, create such liability. In no event shall the failure of a Member to pay any dues or assessments give rise to any claim in favor of the Consortium for consequential damages.

Section 2.8 Use of Names

Any Member may disclose and publicize such Member's Membership in the Consortium, within any guidelines approved by the Planning Committee and the Consortium may publicize such Member's Membership in the Consortium.

Section 2.9 Rights in Intellectual Property and Security of Information

(a) All intellectual property submitted to or owned, adopted or created by the Consortium, including without limitation, any of the same which may be represented by any standards and specifications, guidelines, policies, procedures or tests, and any other technology or assets (collectively, "Consortium Technology"), shall be subject to such policies and procedures, including the Consortium’s Intellectual Property Rights Policy (the “IPR Policy”), as may from time to time be adopted by the Board of Directors. Any such rules or policies adopted by the Board of Directors shall control all rights of ownership and publication relating to such Intellectual Property, the specific license rights which Members may be entitled to therein, and the fees (if any) which the Consortium may charge Members and third parties for access to and use of such Intellectual Property.

(b) Any amendment to the foregoing Subsection 2.9(a) shall (i) have prospective (only), and not retrospective effect, and (ii) shall not have an effective date less than sixty days from the date that the Consortium gives a detailed notice of such change to all Members.

(c) No Consortium Technology or draft Consortium Technology shall be made available by Members of the Consortium to non-Members prior to general release of such Consortium Technology by the Consortium according to a release plan approved by the Consortium's Planning Committee.

ARTICLE III

MEETINGS OF MEMBERS

Section 3.1 Time and Place of Meetings

All meetings of the various committees of the Consortium shall be scheduled to be held at such place and at such time as may be fixed from time to time by the Consortium Staff.

Section 3.2 Regular Meetings of Committees

Regular meetings of the various committees of the Consortium shall be scheduled at regular intervals during the calendar year and at such times as may be fixed from time to time by the Staff after consultation with the respective committees.

Section 3.3 Special Meetings

(a) Special meetings of the Strategic Member Advisory Committee for any purpose or purposes may be called by the Board of Directors or an Officer of the Consortium or by the
Strategic Member Advisory Committee at the request in writing of at least a majority of all Strategic Members, as appropriate.

(b) Special meetings of the Planning Committee for any purpose or purposes may be called by the Board of Directors or an Officer of the Consortium, or by the Planning Committee at the request in writing of at least ten percent (10%) of all Principal Members, as appropriate.

(c) Special meetings of the Technical Committee may be called by the Board of Directors or an Officer of the Consortium or the Planning Committee at the request in writing of at least ten percent (10%) of all Principal Members; or by the Technical Committee at the request in writing of at least ten percent (10%) of all Members.

(d) Such requests shall state the purpose or purposes of the proposed meetings. Business transacted at any special meeting shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

Section 3.4 Notice of Meetings

Except as otherwise provided by law or these Bylaws, written notice (as defined in Section 7.1(a) of these Bylaws) of each meeting of the Strategic Member Advisory Committee, the Planning Committee and of the Technical Committee, or any other committee defined in these Bylaws and comprised in whole or in part by Members of the Consortium, regular or special, shall be given not less than two weeks before the date of the meeting, to each Member entitled to attend such meeting, and shall state the place, date and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, and such other information as may be required by law.

Section 3.5 Voting List

The Consortium shall prepare and make a complete list of the Members entitled to vote at each Strategic Member Advisory Committee, Planning Committee and Technical Committee meeting (as the case may be), or meeting of such other committee as may be defined in these Bylaws and comprised in whole or in part by Members of the Consortium, arranged in alphabetical order, and showing the address of each such Member. Nothing contained in this Section shall require the Consortium to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any Member, for any purpose germane to the meeting, for a period of at least ten (10) days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Consortium. In the event that the Consortium determines to make the list available on an electronic network, the Consortium may take reasonable steps to ensure that such information is available only to Members of the Consortium. The list shall be produced and kept at the time and place of the meeting during the whole time thereof and may be inspected by any Member who is present.

Section 3.6 Quorum

(a) Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, a simple majority of the Strategic Members in good standing shall constitute a quorum at all meetings of the Strategic Management Advisory Committee for the transaction of business.

(b) Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, the designated representatives of one third of the combined number of Strategic
Members and Principal Members, present in person or represented by proxy, shall constitute a quorum at all meetings of the Planning Committee for the transaction of business.

(c) The quorum for any meeting of the Technical Committee Members shall be a simple majority of Strategic, Principal and Technical Members whose organizations have attended, in person or through proxy, two of the last three Technical Committee meetings.

Section 3.7 Adjournments

Any meeting of the Strategic Member Advisory Committee, the Planning Committee or the Technical Committee, or a meeting of such other committee as may be defined in these Bylaws and comprised in whole or in part by Members of the Consortium, may be adjourned from time to time to any other time and to any other place at which such a meeting may be held under these Bylaws or by law if the time and place of the rescheduled meeting, the means of remote communications, if any, by which Members may be deemed to be present in person and vote at such adjourned meeting, and such other information as may be required by law are announced at the meeting at which the adjournment is taken. Such adjournment shall be approved by either 1) a majority of the Members present in person or represented by proxy at the meeting and entitled to vote, though less than a quorum, or, 2) if no such Members are present or represented by proxy, by any Officer entitled to preside at or to act as Secretary of such meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member.

Section 3.8 Action at Meetings

Unless the question is one upon which by express provision of law, the Certificate of Incorporation or these Bylaws, a different vote is required (in which case such express provision shall govern and control the decision of such question), when a quorum is present at any meeting, the vote of a majority of the Members present in person or represented by proxy and entitled to vote on the question shall decide any question brought before such meeting.

Section 3.9 Voting and Proxies

Except as otherwise provided in the Certificate of Incorporation or these Bylaws, each Member attending and entitled to vote at a meeting of the Technical Committee, Planning Committee, Strategic Member Advisory Committee, or other committee defined in these Bylaws and comprised in whole or in part by Members of the Consortium, shall be entitled to one vote at such meeting. Each Member entitled to vote at such a meeting, or to express consent or dissent to action in writing without a meeting, may authorize another Member with voting rights in the same Committee to act for it by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

Section 3.10 Suspension of Rights for Non-Payment of Fees

Unless written notice by mail is
required by law, the Certificate of Incorporation or another provision of these Bylaws, and subject to the provisions below relating to notice by electronic transmission to Members, written notice may also be given by electronic mail, telecopy, commercial delivery service, or similar means, addressed to such Director or Member at his, her or its address as it appears on the records of the Consortium. Without limiting the manner by which notice otherwise may be given effectively to Members, any notice to Members given by the Consortium under any provision of law, the Certificate of Incorporation, or the Bylaws, unless written notice by mail is required by law, the Certificate of Incorporation or another provision of these Bylaws, shall be effective if given by a form of electronic transmission consented to by the Member to whom the notice is given. Any consent by a Member to receive notice by electronic transmission shall be revocable by that Member by written notice to the Consortium. Any such consent shall be deemed revoked if (1) the Consortium is unable to deliver by electronic transmission two consecutive notices given by the Consortium in accordance with such consent and (2) such inability becomes known to the Secretary or an Assistant Secretary of the Consortium or to the transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

An affidavit of the Secretary or an Assistant Secretary or of the transfer agent or other agent of the Consortium that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

(c) For purposes of these Bylaws, “electronic transmission” means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved, and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

(d) Without limiting the foregoing, the Consortium adopts electronic mail as its principal source of communication with its Members. Each Member acknowledges and agrees that the Consortium shall not be under any obligation (except as required by law or these Bylaws) to send any notice to any Member by any means other than electronic mail, and it is therefore the responsibility of each Member to avail itself of and make such arrangements as may be necessary to receive notice in such fashion.

Section 7.2 Waiver of Notice

Whenever any notice is required to be given under the provisions of law or of the Certificate of Incorporation or of these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, or a waiver by electronic transmission by the person entitled to notice, shall be deemed equivalent thereto.
ARTICLE VIII

INDEMNIFICATION

Section 8.1 Actions other than by or in the Right of the Consortium

The Consortium shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Consortium) by reason of the fact that he is or was a Director, Director Emeritus, ex officio member of the Board, officer, employee or agent of the Consortium, or is or was serving at the request of the Consortium as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Consortium, and, with respect to any criminal action or proceedings, had no reasonable cause to believe this conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Consortium, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 8.2 Actions by or in the Right of the Consortium

The Consortium shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Consortium to procure a judgment in its favor by reason of the fact that he is or was a Director, Director Emeritus, ex officio member of the Board, officer, employee or agent of the Consortium, or is or was serving at the request of the Consortium as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Consortium and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery of the State of Delaware or such other court shall deem proper.

Section 8.3 Success on the Merits

To the extent that any person described in Section 8.1 or 8.2 of this Article VIII has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in said Sections, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.
Section 8.4 Specific Authorization

Any indemnification under Section 8.1 or 8.2 of this Article VIII (unless ordered by a court) shall be made by the Consortium only as authorized in the specific case upon a determination that indemnification of any person described in said Sections is proper in the circumstances because he has met the applicable standard of conduct set forth in said Sections. Such determination shall be made (1) by the Board of Directors by a vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (2) by the Members of the Consortium.

Section 8.5 Advance Payment

Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Consortium in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of any person described in said Section to repay such amount if it shall ultimately be determined that he is not entitled to indemnification by the Consortium as authorized in this Article VIII.

Section 8.6 Non-Exclusivity

The indemnification and advancement of expenses provided by, or granted pursuant to, the other Sections of this Article VIII shall not be deemed exclusive of any other rights to which those provided indemnification or advancement of expenses may be entitled under any Bylaw, agreement, vote of Voting Members or disinterested Directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

Section 8.7 Insurance

The Board of Directors may authorize, by a vote of the majority of the full Board, the Consortium to purchase and maintain insurance on behalf of any person who is or was a Director, Director Emeritus, ex officio member of the Board, officer, employee or agent of the Consortium, or is or was serving at the request of the Consortium as a Director, ex officio member of the Board, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his or her status as such, whether or not the Consortium would have the power to indemnify him against such liability under the provisions of this Article VIII.

Section 8.8 Continuation of Indemnification and Advancement of Expenses

The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VIII shall continue as to a person who has ceased to be a Director, Director Emeritus, ex officio member of the Board, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 8.9 Severability

If any word, clause or provision of this Article VIII or any award made hereunder shall for any reason be determined to be invalid, the provisions hereof shall not otherwise be affected thereby but shall remain in full force and effect.
Section 8.10   Intent of Article

The intent of this Article VIII is to provide for indemnification and advancement of expenses to the fullest extent permitted by Section 145 of the General Corporation Law of Delaware. To the extent that such Section or any successor section may be amended or supplemented from time to time, this Article VIII shall be amended automatically and construed so as to permit indemnification and advancement of expenses to the fullest extent from time to time permitted by law.
